# Administration, Faculty, and Staff

To the Class of 1998:

It is with both pride and sadness that I offer these words of congratulations to your entire class. Pride in the knowledge of all the successes that you have earned throughout your high-school years; sadness in the fact that you will be leaving and moving on to even greater accomplishments.

You have all worked extremely hard over the past four years and learned the values of persistence and dedication to your studies. Your academic skills have been broadened by the excellent support provided to you by your teachers and administrators.

As you progress to your next destination, always remember the terrific foundation that was provided to you at Dighton-Rehoboth Regional High School. Best wishes for continued success in all of your efforts.

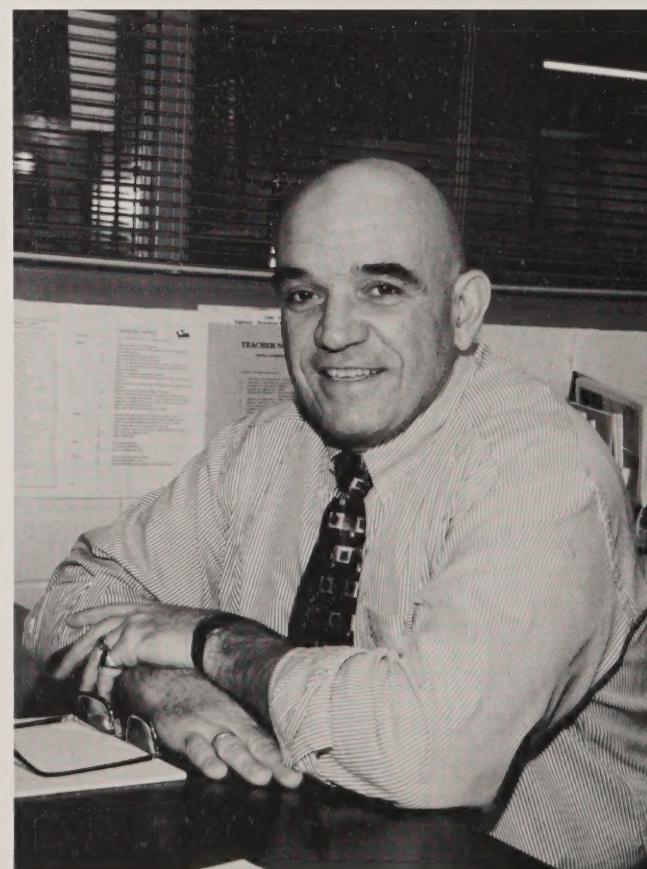

Dr. Francis J. Connor  
Superintendent of Schools

To the Class of 1998:

The full joy to be derived from this yearbook will be delayed for many years since today's adventures grow profoundly in stature once they become tomorrow's memories. It is only in the distant future, on some quiet and peaceful day, that you will sit back and thumb through its pages. Only then will it have become the compendium of all that was good in your life when you were a high-school student and only then will you realize that these days have become the most wonderful days of your lives.

Pleasant memories to each of you!

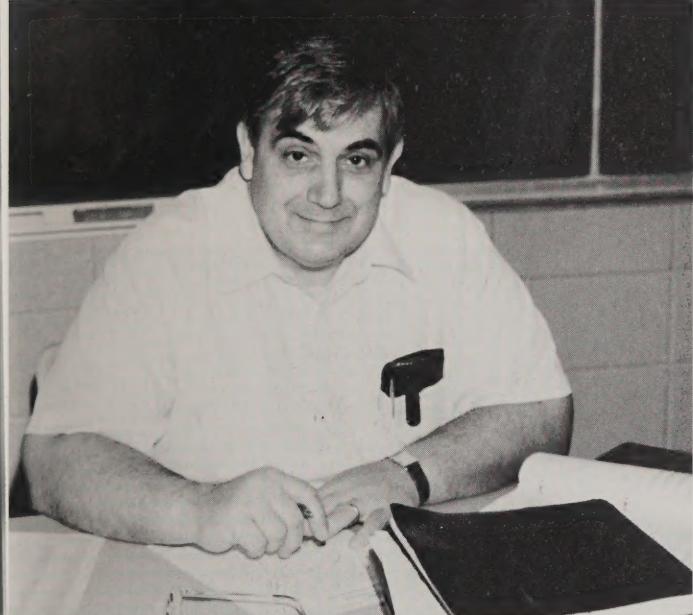

Trent R. Danella  
Principal

To the Class of 1998:

I would like to take this opportunity to wish each of you a very prosperous future. You have reached one major goal in your life. Now, as you leave Dighton-Rehoboth, you are about to begin your next journey in life. You have many options available to you. Whatever you choose to do, do it to the best of your abilities.

Paul Giannakoulis  
Assistant Principal

To the Class of 1998:

Four years ago, you entered D-R as young teenagers who were unsure of what you would experience during your four years here. You now leave D-R as young adults, even more unsure of what the future holds in store for you.

I am hopeful that you have set very high goals for yourselves and that Dighton-Rehoboth has adequately prepared you to successfully attain them. As you begin travelling along one of the many roads that lead from our high school, I wish you all the very best of luck in the future. I urge you to use your abilities, your talents, and your skills to accomplish great things and to improve the world in which we live. Make each day your masterpiece!

May your future be filled with happiness, with good health, and with success.

Glen Field  
Assistant Principal

To the Class of 1998:

My congratulations to each of you as you graduate from high school and as you begin the next phase of your life. As you do, I have a thought for you: I expect to pass through this world but once. Any good, therefore, that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect, for I shall not pass this way again." I wish you well today, tomorrow, and always. May you use your talents wisely and enerously.

Mr. William F. Henry  
Director of Guidance

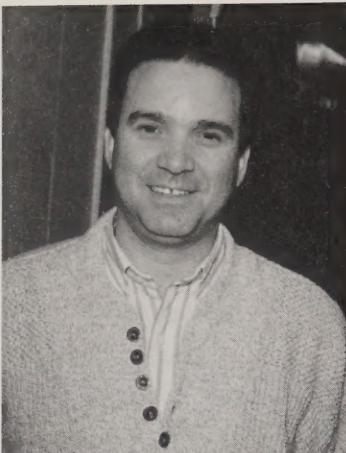

To the Class of 1998:

On behalf of the Vocational-Technical staff, I offer congratulations to all of you for your successful completion of a high-school education. Graduating from high school is the first step towards reaching many career goals that you will pursue in your lifetime. Taking this first step puts you on the path toward achieving these goals. We hope the memories of the friends and teachers and the good times you had here will never be forgotten.

# Art Club

Art Club functions as an opportunity for students to explore new materials, crafts, etc. that would not be possible in class. The club meets once per week. Students formulate the club's agenda on a quarterly basis.

Some of the projects completed are the following: decorative paint finishes on furniture, paper sculpture, and papermaking. Students also make sketch books for their own use.

Front Row: Lily Brooks, Jeff Boucher, Mrs. Wendy Rutkowski, Joshua Gannon, Patri Andrews, Nate Tarter  
Second Row: Jacklyn Gareau, Jennifer Higgins, Chris Cahoon (pres.), Christopher Burkhardt

# Photography Club

The Photography Club is an informal group of students interested in learning the art of photography. Students/artists/photographers are instructed, on a weekly basis, on how to use the 35mm camera, take pictures, develop negatives, and enlarge and mount prints. Members of the Photo Club have access to D-R's dark room and developing facilities. Students are encouraged to take photos which express their individual creative interests and are allowed to work at their own pace. Students must provide their own 35mm camera.

# D.E.C.A.

D.E.C.A. (An Association for Marketing Education Students) is a co-curricular club that is part of the Marketing Education Program. The club travels to exciting cities throughout the United States and Canada during competition time.

## Science Club

The Science Club participates in a number of activities that promote science and technology. This year, members designed a catapult that will be constructed by members of next year's club for a catapult competition. Some members designed and constructed a vehicle that can climb a hill under its own power, stop at the top of the hill, and sustain its position against an opposing vehicle coming up the other side of the hill. This competition is known as "Peak Performance" and is sponsored by Boston University's College of Engineering.

The three eight-page editions, the result of efforts by editors and assistant editors (News, Sports, Opinion/Editorial, Features, Layout), reporters and photographers alike are truly a credit to all who participated this year. A special thanks goes out to our afore-mentioned editors and our faculty advisor, Mr. Jeffrey Day, for their diligence and patience in assembling each issue. We wish the best of luck to future editors and staff as you continue the tradition of excellence!

Students may become members of the Junior Alliance Francaise, a national organization fostering the dissemination of the French Culture. A holdiay celebration, including French foods, music, and holiday traditions was held in obeservance of the Feast of the Kings in January. Fifteen of our members spent two weeks in the Parisian region on a student exchange, visiting Reims and the beautiful chateaux of the Loire.

We perpetuate the Latin traditions for our posterity. We celebrate Latin holidays and other cultural activities. Every other year, we travel abroad to either Italy and/or Greece. "Semper Ubi Subest." Hopefully we will have some students who attended the National Convention at UMass Amherst. Over 5,000 Latin students and teachers will converge to celebrate the Romans and their enduring legacy! Toga Party!

# Math Team

First Row:

Megan Joseph, Jonathan Champagne, Jackie Gareau, Jessica Sherman

Second Row:

Janet Nelson, Stuart Peloquin, Sara Streeter, Tony Nunes, Heather Berthiaume, Katie Haskell

Third Row:

Andrew Lambe, Nick Wilson, Shawn Lavoie, Jon Joubert, Amanda Caouette, Kristen Corey

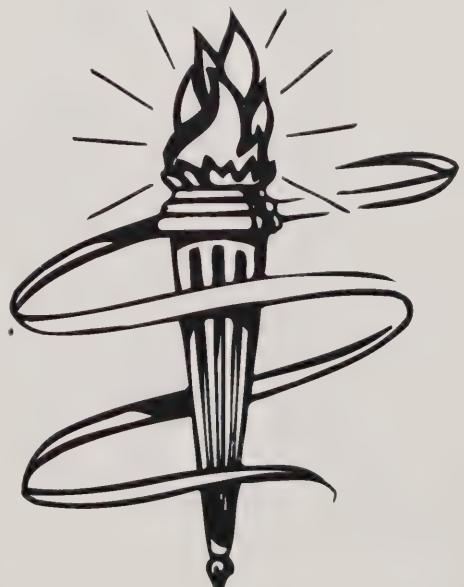

While Math Team does not sound very appealing to some, those who have given it a try have come to realize that Math Team is a very fulfilling after-school activity. Math Team has about one meet every month from September to March, and at each meet, students take part in both individual and team rounds. Aside from the math meets, members also meet on a weekly basis and have a "study party" with food, games, and, of course, a little math! Participation in Math Team not only adds to one's mathematical knowledge, but it also gives members an opportunity to meet new people from numerous schools across Massachusetts, and it teaches cooperation and team work. Those on Math Team have come to realize that "seven days without math makes one 'week' ('weak')."

# National Honor Society

Second Row: Jen Paradis, Sarah Williams, Tara Goudreau, Erin Toste, Heather Berthiaume, Kyle Ledo, Janet Nelson, Dawn Tavares, Katie Snee, Kellie Ferrie, Jen Eaton, Valerie Alderson, Lisa Ulmschneider, Mike Antonio, Matt Mahoney, Erin Callahan, Jess Ruel

Fourth Row: Jamie Sunderland, Jen Simons (sec.), Joe Zapasnik, Sara Streeter, Allison Lombardo, Jessica Mayforth, Jen Phillips (v. pres.), Sue Zaluski, Rebecca Worden, Jessalyn Sadler, Jennifer Therisod, Michelle Swallow, Rachel Lapointe, Laura Janson  
Fifth Row: Jason Szostek, Nate Tarter, Erin Rowse, Rachel Medeiros, Stu Peloquin, John Skinner, Trafford Kane, Heather Blackledge, B.J. Corey, Mike Taylor, Jess Ventura, Carah Dawe, Kristen Holt, Scott Fisher  
Sixth Row: Mike Borkowski, Nick Viveiros, Robert Cho, Sean Duarte, Tosin Davis, Adam Lass, Jon Merrill, Josh Gannon, Matt Scanlon  
Not Pictured: Trapper Felides

This year's National Honor Society completed a number of community services, all a credit to the N.H.S. qualities of leadership, scholarship, and service. Aside from the traditional Valentine's Day Carnation sale, new projects were added to the schedule. An animal shelter food drive took place in the fall, the Rehoboth baseball field underwent a spring clean-up, and a Phone Pal program with the elderly residents of Dighton and Rehoboth was initiated. To all those who took part this year, your participation has led to another successful year. A special thanks goes out to our advisor, Mrs. Day, for her hard work and patience throughout the year.

For the first time ever, five T.O.A.D.S. attended the national conference in San Diego, California continue spreading their message of saying "no" to drugs and alcohol. They look forward to reaching out to other students in the years to come and to growing in size as a group.

The 1997 Golf Team was the best in D-R history, finishing with an overall record of 19 wins, 1 loss. A perfect 16-0 league record earned the team its second straight S.C.C. championship. More accomplishments followed in the post-season. The golfers brought home a third straight S.C.C. Co-captains Jamie Sunderland and Dan Lockhart were selected as S.C.C. All-Stars, while John Murphy, Rusty Knowles, Tim Lang, Matt Mahoney, Greg Sunderland, and Bridgette Palin all made big contributions to the team's success. # CROSS COUNTRY

## BOYS' CROSS COUNTRY

Captain Brian Rosario, who had his most outstanding meet against Seekonk to cement not only an undefeated season but also an SCC Championship, the Falcon harriers achieved a most outstanding dual-meet season in the SCC with an 8-0 record and a 9-0 overall record bringing the Boys' Team's record in the SCC to 38-02 and overall record to 52-04. SCColars Steve Marvill, Dave Dufort, Nick Wilson, and Brian Therisod, in addition to junior Stu Peloquin and freshman Chris Racine all made invaluable contributions to the successful fall campaign.

The Team for its third successive year received the SCC's Most Improved Award, a most important and prestigious achievement.

## GIRLS' CROSS COUNTRY

Junior runner and SCC All-Star Jane Hollinshead spearheaded a growing season for the youthful Lady Falcons. Even though the Girls' Team were 4 and 4 in the SCC and 5 and 4 overall, they always demonstrated pride, improvement, and incredible work ethic. Sophomore Heidi Anuszczyk and her freshman sister Krystal were major contributors to the Girls' Team, in addition to freshman Erika Hamilton, senior Captain Jenna Poole, sophomore Kim Hawkins—the most improved runner—junior Lisa King, and freshman Kerri Grandmont. Hoping to enlist more incoming freshmen and some high-school upperclassmen next year, the Girls' Team is anticipating an outstanding season for 1998-99 with, perhaps, the possibility of an SCC championship.

The team finished 4-5-7 overall, just missing qualifying for the tournament by one point and 4-4-6 in the league (sixth place). Senior Captains Tracy Miller, Heather Blackledge, and Jessalyn Sadler were great leaders for the team with Tracy and Heather receiving honorable mentions to the All Star team. Also working hard for the team were seniors Heidi Marshall, Cari Azevedo, and Allison Clement. Defensively, junior Julie Keene was strong and senior goalie Danielle Masse finished her career with a strong season recording for an 88% save percentage and earning nine shutouts. Danielle was an SCC All-Star selection this year along with junior Heidi Marshall who led the team with nine goals and two

The 1997-98 Boys' Winter Track Team finished with a 7-1 overall record for the season behind the leadership of senior co-captains Nate Clark and Darwin Werthessen. This placed the Falcons second in the South Coast Conference behind league champion Seekonk.

Ironically, the Seekonk meet was the first meet of the season. After losing this meet, the Falcons responded admirably and fought their way through the remainder of the season without another loss!

Highlights of the regular season included exciting wins over Wareham and Fairhaven. Both meets came down to the 4x400 relay, and the Falcons won both races! Individual highlights included junior John Gendron capping an S.C.C. championship in the 50-yard dash and sophomore Jay Rose equaling the school record in the high jump with a leap of 6'1". This record had stood for 21 years!

Senior captain Lorie St. Pierre and junior captain Meghan Fresta led the girls to the most successful season D-R has had in the past five years. The 6-2 overall record and a tie for second place in the South Coast Conference are bests for the Falcons during the winter season. The S.C.C. was extremely competitive at the top as four teams, Old Rochester, Seekonk, Apponequet, and D-R battled from beginning to end. Early losses to Seekonk and Old Rochester were avenged as the Falcons won their first-ever S.C.C. League Meet with a total of 82 points. From there the girls proceeded to place fourth in the State Class C Meet with 30 points and tenth in the All-State Meet with 12 points. Individual highlights included two S.C.C. champions with Nicole Parker in the high jump and the team of Tab Stevens, Kelan Balogh, Becky Rourke, and Emily Horton in the 4x400 relay. In addition, Nicole Parker (high jump) and Kerri Coleman (shot put) were crowned State Class C champions. Last but certainly not least, no less than five school records were established over the course of the season.

# A final word from the editor:

Dear Seniors,

Whoosh!! Did you see it? Our high-school years have just passed us by. If you'll permit me to become a bit sentimental, these years have been amazing. Sure, they haven't always been peaches 'n cream, but we're here, now, and the final days of our senior year are merely an image in the rear-view mirrors of our lives. No matter what the road ahead of us brings, be it potholes, hills, or flat, wide highways, we will always remember these four years as perhaps "the best four years" but certainly the most formative four years of our lives. We have all changed, and this yearbook alone serves as a reminder of how our interests, friends, and even appearances have been altered by the roads that we have travelled. Hopefully, this yearbook will also spark memories and pleasant reflections of our high-school years as we glance through it in the future. I would like to wish the best of luck to the Class of '98. May your futures be filled with clear skies, friendly companions, cheap gasoline, and exciting learning experiences. I hope that we may never see the day when we cannot say to the world, "Eat our dust!"

A particularly appreciative thank-you goes out to all our assitant editors, especially Brian Dewhirst, assistant editor-in-chief, Dawn Tavares and Melissa Genovesi, underclass editors, and Beth Rose and Lisa Lusignan, underclass assistant editors. Good luck next year!

Special thanks go out to:

*Ms. Sharon Conley of T.D. Brown Studios*

*Mr. Arnie Lohman of Josten's Publishing*

*Mrs. Sharon Araujo and the office staff*

Sincerely,

Clare Forstie, Editor
